U.S. Chamber's AI Principles Latest Industry Effort to Push Policy

October 1, 2019

Akin Gump has published a new post to [AG Data Dive](#) on the release of 10 policy principles governing the use and regulation of artificial intelligence by the U.S. Chamber of Commerce's Technology Engagement Center and Center for Global Regulatory Cooperation. The U.S. Chamber's AI Principles will be a guiding framework to address policy issues regarding artificial intelligence for all levels of government. Please click [here](#) to read the full blog post.
