LaborSpeak: Quick Roundup on U.S. Salary Transparency Laws

November 29, 2022

In the latest installment of LaborSpeak, we review laws from across the U.S. requiring pay transparency. Although the laws vary by jurisdiction, employers nationwide should be aware of the impact on their workforce from greater access to wage information by employees, candidates and competitors.

Please click [here](#) to watch the video.

Our LaborSpeak video series examines critical trends and issues affecting employers nationwide. We invite you to [subscribe](#) to our YouTube channel, and you will be alerted as we drop new videos in the future.
