

Hedge Up Alert: A Heads-Up on Employment Issues Confronting the Hedge Fund and Private Equity Industries

December 19, 2017

Evaluating Pay Equality: Steps Investment Managers Should Consider in Connection with Equal Pay Laws

As previously [reported](#), New York is among a number of states to enact enhanced equal pay laws promoting equal pay between similarly situated male and female employees. In the attached article, published in The Hedge Fund Law Report on November 30, 2017, we discuss the impact of these laws, and the steps firms should consider in connection with the year-end compensation cycle.
